PASTOR'S REFLECTIONS

What does Jesus' reign look like, and how does it differ from the power of this world? The prophet Ezekiel portrays God as a Shepherd who cares for his sheep, seeks out the lost, and binds up the wounded—a reign full of mercy and closeness. Saint Paul reminds us that Christ, as the Risen Lord, will conquer death and give everything to the Father, so that God may be all in all. In the Gospel, Jesus reveals himself as King and Judge, who does not ask for success or influence, but for acts of love toward those most in need. Love will prove to be the ultimate criterion of judgment and the measure of our reign with Him. Christ's reign is an invitation to serve, to be close to the weakest. Let us listen to these readings to discover that true power is the ability to love and give of ourselves to others.

SOLEMNITY OF JESUS CHRIST, KING OF THE UNIVERSE

Today is the Solemnity of Jesus Christ, King of the Universe. It was introduced into the liturgical calendar by Pope Pius XI in 1925, at the conclusion of the Jubilee Year that was then taking place. In the renewed liturgy, the Church celebrates this Solemnity on the last Sunday of the liturgical year to emphasize that everything has its beginning and will culminate in Christ.
